Our services

Handcrafted in Italy, our products are all unique and stand out first and foremost for the distinctive veining of the beautiful marbles we choose.

Every piece can be customised, starting with the choice of material and colour.

Iacchetti Marmi creates classically-inspired objects such as the **Amadea** chalice, with its sinuous form and its extraordinary sheen, or the **Orfeo** vase, a tribute to Ancient Greece in rare antique marble.

Other creations have a more linear, clean and contemporary style, such as the **Essentia** fragrance dispenser, a marble cube with metal detailing, the **Zefiro** vase, its dynamic shape reminiscent of the petals of a flower, and the **Archetipos** pyramid, an exquisite and evocative decorative piece.

We are at our customers' disposal to listen to ideas and embellish spaces with exclusive designs and beautiful marble: authentic Italian art.
